Inequality And Society: Social Science Perspectives On Social Stratification

Synopsis

Designed for undergraduate courses on inequality, this reader is the first and only one to incorporate political inequality into the discussion of social stratification. With the ideal balance of classic essays and more contemporary studies, *Inequality and Society* covers the standard themes of poverty and inequality while bringing political institutions into the analysis.

Customer Reviews

Light amount of notes and highlighting. some water damage. but overall book seems to have all pages and good price for size of book!

Author is very biased in views and comparisons .

Very useful book
