My First Counting Book: Police

Synopsis

This beautifully illustrated counting book introduces children to the numbers 1 through 10 using poetic illustrations of policemen, police cars, equipment, uniforms and other items specific to policemen. Along with the other books in this series, *My First Counting Book: Police Officers* uses a creative rhyme scheme paired with numbers, pictures and facts, making them easy to read and the information memorable and recognizable. With the numbers 1 through 10 incorporated, children will learn about the respectable work of police officers and how they help keep us safe! The inside back cover of each book provides a key for parents and educators to teach children further information and facts about each item featured. Additionally, the sturdy board book format is perfect for repeated handling by young children. These books are especially meaningful for children of police officers or those with family members and/or friends in the police force.

Customer Reviews

Great books for let tile boys and girls. Great 911 message in the back. Kudos to the author. Buying the series for my grandchildren

Just bought my second book of this series! I love the illustrations. Just perfect for the little ones on my gift list.

My son loves all things cars and trucks and this book is no exception! We love the whole series!

I bought all my grandchildren (ages 4 through 8) the First Counting Books. They love them.

Excellent fun way for preschoolers to learn. Part of a series--get them all!

This is a great series for the home and the preschool/kindergarten classroom!
