This book was really terrifically awesome. My favorite part was when the master accidentally fell into the Nether portal that Iron Golem put there to keep the rabbits out. Overall, this was super-awesome-terrifically good. What I like about Crafty Nichole's books is that once you start reading, you just can't stop!

golems strike again! this time their owner gets into the nether and iron golem hva to find the master while snow golem is stopping three travelers robbing the castle. I wonder where is book3!?

Awesome work Nichole. Your books are amazing. I love that you are continuing your books with #2s!! Stay awesome.Claire your number one fan
