# How This Book Was Made

## Synopsis

You may think you know how this book was made, but you don't. Sure, the author wrote many drafts, and the illustrator took a long time creating the art, but then what? How'd it get into your hands? Well, open the cover and read through these pages to find out. Just beware of the pirates and angry tiger. New York Times best-selling creators Mac Barnett and Adam Rex reveal the nitty gritty process of making a book . . . with a few unexpected twists along the way! Budding writers and artists will laugh at the mix of reality and the absurd as the story makes its way to a shelf, and a reader.

## Customer Reviews

Another brilliant book by MacAdam! These guys are on the cutting edge of picture book technologies. A perfect blend of meta-narrative and slapstick. My favorite duo has done it again!
