How To Become A Tax Preparer And Earn Big Part-Time

Synopsis

Updated August 2016 - This easy to read and understand book will show you the inside secrets to becoming a successful tax preparer in almost any state. You will be connected directly to the IRS web pages to get started immediately. Professional tax software is discussed as well as what you will need to get started. Suggestions that can reduce your start-up cost significantly are out-lined along with ways to get the necessary experience to build your confidence and increase your income. How to learn online, without having to leave home to how to dominate your local area as the go-to-tax person are discussed. Advertising, online and off-line, including social media, blog, website and ad campaigns is covered in detail along with how to create a Sales Funnel, even if you don't know HTML. Where and how to find your clients and what to do once you find them, is discussed using a step-by-step process. What you can charge and how much you can earn is outlined in the last chapter. Alternative ways to earn a substantial income are revealed as well as how to find the high-paying tax positions during tax season, should you decide not to work for yourself. Understanding the pitfalls in getting started and how to satisfy the IRS requirements to stay out of trouble is discussed. Although the IRS exam isn't in place at the time this book was published, tips on how to pass the exam, should the IRS over-turn the court decision is included. This book is written by an experienced RTRP, with over 12 years experience in tax preparation. C. Ingraham, RTRP taught basic tax-classes for 2 major tax franchises in the San Francisco Bay Area and has extensive experience in Internet Marketing. See the chapters below:

Customer Reviews

GAVE ME A LOT OF GOOD IDEAS.WILL REFER TO IT AGAIN.USED THE INFORMATION AND FOUND A TAX CLASS ONLINE THAT WORKS WITH MY BUSY SCHEDULE..

This book gives you very simple ideas and is straight to the point. There is no unnecessary information to make it long and boring. I have a few new great ideas to use from a 20 minute read

Usually every accounting or tax business talks about marketing. It would be good to talk about what kind of information or where to stay updated on tax laws.
