Summer Of My German Soldier (Puffin Modern Classics)

Synopsis

An emotional, thought-provoking book from multi-award-winning author Bette Greene. The summer that Patty Bergen turns twelve is a summer that will haunt her forever. When her small hometown in Arkansas becomes the site of a camp housing German prisoners during World War II, Patty learns what it means to open her heart. Even though she's Jewish, she begins to see a prison escapee, Anton, not as a Nazi, but as a lonely, frightened young man with feelings not unlike her own. In Anton, Patty finds someone who softens the pain of her own father's rejection and who appreciates her in a way her mother never will. While patriotic feelings run high, Patty risks losing family, friends — even her freedom — for this dangerous friendship. It is a risk she has to take and one she will have to pay a price to keep. "An exceptionally fine novel." —The New York Times "Courageous and compelling!" —Publishers Weekly A National Book Award Finalist An ALA Notable Book A New York Times Outstanding Book of the Year

Customer Reviews

The most exiting event in the history of Jenkinsville occurred that summer day when a Prisoner of War camp was set up just outside the city. The Nazi's that had been depicted as evil people that

would kill someone as soon as they looked at them turned out to be young, kind-faced men with blond hair. Patty Bergen was Jewish and her father owned a department store on the main street of the town. One day she was in the store when the prisoners with money in hand came to buy hats for work in the field. Patty went to help one of the prisoners whose name was Frederick Anton Reiker and discovered that instead of wanting to buy a hat with his money he wanted to buy a pen with fake diamonds on it. Not long after their first meeting, Anton escaped from the prison camp and fled but before he caught the back of a departing train, Patty saw him and invited him to stay in the room over the garage until the war was over. But, one day Anton saw Patty being beaten and he ran out to stop the attack, but Ruth, the housekeeper saw him rush out from the garage. Even though Ruth would not tell a soul about it Anton decided it was too much of a risk on Patty's part and he left that same night. After Anton had been gone for months a man named Mr. Pierce asked Patty a fair amount of questions and after hearing that Anton had died she let everything out. After that she had to go and live with her grandmother for a while until the time of the trial. The judge sentenced her to no less than four months in a reformatory for girls and there she stayed for the time. I enjoyed this book because of how the story of how it was depicted. I thought this novel was quite engaging because of how Patty changed over time. At the beginning of the story Patty is reckless and had low self-esteem.
