Customer Reviews

This recording of Shakespeare's "A Midsummer Nights Dream" is part of a series of recordings on the Naxos Audiobooks label. Slowly they are putting together some very good to excellent recordings of the plays and sonnets of the "Bard of Avon". This recording perfectly captures the spirit of the play and the music in the background brings a new feeling to the play. All the performing versions of the plays released so far are based on the Cambridge Shakespeare Edition. All can be easily recommended.

This audiobook cd is a WASTE OF MONEY because you CAN'T HEAR IT!!! I'm not sure if something happened during the recording of it, or if they thought it didn't need to be loud because people might only listen in their cars. I bought this to use in my classroom during the reading of the play. We could not hear it-even at full volume on my CD player. I even tried it on my surround sound stereo at home-same thing. This is a poor product-SAVE YOUR MONEY!
