My favorite part is when Steve changes his personality, and the villager becomes friends with him. Next book should be when someone, a hood figure, summons a wither to wreck havoc, only the

grumpy villager and courageous steve can save the village! then the 4th book should be when the hooded figure reveals himself as a dark herobrine! then notch comes and tries to fight but fails, only villager has to save notch and steve distracts herobrine. Herobrine dies and his soul corrupts an ender man to a TITAN ENDERMAN! in the 5th book (last one) the villager reveals his dark past in his life, and as to kill the ender titan with steve. then Steve finds an endersword that is the only weapon that can harm an ender titan. then they fight the ender dragon, and they reach the overworld to escape it. thats the END!!!P.s sometimes im lazy to write reviews but I'll always be writing-Power

nice cn! this book was really prdttt funny! wow. did i really just say "prdttt" funny? Anyway crafty nichole, I have a book suggestion. PLEASE can you make a book about a minecraft sneaky enderman who likes to take and keep many blocks and wants all the kinds of blocks but needs sponge. this may sound weird but it may be worth a try because enderman cannot go in the water or kill elder guardians to get some. please think about it. it would really mean a lot to me. seriously, i would be so happy if you made it into a book.-MLGDoge

My insides began to expand the second I noticed that this entity existed. The adam's apple on my brother's neck began to move up and down uncontrollably, and my rectal passage began to contract to a molecular level. I would like to sue for 5 minecraft moneys and also I'll let you know that I beat the ender dragon on super survival mode. If you havent heard of this its a mod my mom made and its relly kool. I also want you to subscrib to me on utube plz and thx.

I absolutely loved the storyline, it was soo unexpected and also an excellent continuation to the last book. I loved the way that Steve saved him it was totally unexpected. Just wondering if book three would come out.Keep on writing Craftynichole because you are amazing at it.By Brian Koh

At the end was soooooo funny!!!! ^† I think that at the third one book he should catch Steve then tell him that he should just stay away from them, but then suddenly a zombie apocalypse appears out of nowhere then Steve and the grumpy villager are forced to work together and stop the zombie apocalypse!

it was great. cant wait for next book. =] can you make an ender dragon book 2? where the endermen get out of the nether and join armys and try to kill the ender dragon and wither skeleton? i

hope you do

yeah,I certainly think that an enderman who steals blocks is a great idea for a book and I hope you make it and I'm sure it will be amazing. P.S please continue the Angry Alex series because it is my favourite series of books ever!!!!

well, this book was okay but you know that I'm not a fan of villagers.but my brother is a fan (I think) of villagers.so if your a fan of villagers COME ON COME ON and read it!
