Synopsis

Discover Great Ways To Generate A Passive Income And Become Financially Free This book has actionable information that will help you to be financially free by building multiple streams of passive income that will ultimately enable you to work less while earning more. Let's face it, working hard for very little is not fun, right? You sacrifice the time you would otherwise have wanted to spend with your loved ones and don't do the things you love in order to toil to grow your employer's business. But unfortunately, very few employers are ever thankful for your efforts. They'll demand more and more of you yet you can only give so much. The effects are stress and frustrations at the work place. And even if your employer pays overtime, your earnings may not match what you wish to earn. It feels like a helpless situation. The simplest and most effective solution is building passive income. One of the best things about earning a passive income is that you can have more than one income stream without feeling too stretched. The earning potential is not capped on the number of man-hours invested/worked. This essentially means that you can earn 10 times or even more of your work hourly wage! If that's something you are interested in, this book will show you exactly what you need to do to build a passive income business from scratch whether you are working on it full time or on the side. What You Will Learn Includes... Why Should You Bother With Passive Income? Debunking Myths Online And Offline Passive Income Ideas Actions To Take And More!

Customer Reviews

We are all looking for ways to create a bit of extra income today to help things along. If you are looking to generate a 2nd passive income then this book should be your bible. It starts off by explaining the fundamentals of what a passive income is and that you have to treat it like a normal job and put in time and effort. It is really well written and the author obviously knows the subject well. He explains the different types of passive income and the ways to get yourself started and the strategies to use.

With this in mind, let's get to the passive income ideas that you can build now. This is a great book that you have yourself a passive income strategy. After reading this book you will be able to earn money while you sleep. If you want to take advantage of an opportunity to earn money, read this book. You will get strategy, how a passive income stream enables you to make money while you sleep. However, Author described his best tips and strategies in this book. I recommend fully to read this book for beginners. Passive income is money that flows into your pocket while you're sleeping. Fastest and easiest way to reduce their working hours and earn more.

This is wonderful and very useful book. This book actually told me information that I needed to know such as how to build a passive income and the obstacles that would get in my way when trying to build this passive income. This book will help us how to achieve passive income as a solution to our shortage of finances. There are a lot of ways on how to generate passive income according to this book but what I like most is investment. This is really worth recommending to all.

This is a great book that you have yourself a passive income strategy. After reading this book you will be able to earn money while you sleep. This book will help us how to achieve passive income as a solution to our shortage of finances. I have learned a lot about taking care of your income and being responsible with it. There are tips that are very good and can be useful for everybody. This is a great book on learning passive income. I highly recommended this book.

This is the best book I've read on passive income so far. The ideas are doable and very interesting.

At first it teaches you all about passive income and then it presents you the ways of doing it online and offline. I personally like the most the idea about writing books, because I love doing that and why not start making money out of my passions?

This is a very useful and interesting book about making passive income, it talks about online and offline passive income popular methods (kindle publishing, blogging, youtube, affiliate marketing...) and gives you a lot of advices that can be useful. If you are thinking about start making passive income this is your guide!

This is an interesting book on how to make some money online. Some of the options in this book are passive income and some are just normal ways to make income online. However both are effective. In this short and simple guide you will learn a number of different ideas where you can start earning money online. If you are new to making a living online then I would suggest checking out this book. So much worth recommending! Worth recommending!
