## Synopsis

Only one series will take you to the end of the world as you explore eternal truth: the best-selling Left Behind series by Tim LaHaye and Jerry B. Jenkins. Now the entire series is available in an audio CD format. Each abridged CD is read by Frank Muller. Rayford Steele and Cameron (â œBuckâ •) Williams find themselves pressed into service for the man they believe could be the Antichrist. Nicolae Carpathia takes over the United Nations, signs a peace treaty with Israel, and begins to lure the nations of earth together to form one global village. Meanwhile, the judgment of God begins to fall on the earth. Buck and Rayford, along with their pastor and Rayford's daughter, must fight to stay alive and battle the forces of evil in the strength of their fledgling, newfound faith.

## Customer Reviews

I have completed book #2. I like the references to The Bible because I do not have a full knowledge of passages and verses. This makes me want to know exactly what The Bible is saying about topics relating to the Anti-Christ and other chapters relating to expectations in this world. I do believe that Tribulation Force talks about the challenges faced by Buck, Chloe, Rayford, Bruce, Loretta, etc. during those times. It may be something to agree or disagree with if it were truly real. I know and like the idea of the mixture of truth and fiction. Tribulation Force makes you see the importance of strengthening your faith, beliefs and asking questions that need answers. I am presently finishing up book #3 showing how Nicolae starts to show who he really is. People in Tribulation Force thought that Nicole was the best that might ever come along. He was so perfect, and that was part of the

problem because he led everyone to think he was "perfect." They believed he was The Messiah. He wreaks havoc over nations and has people doing things they do not even recognize as wrong. He delights in his power. Some of the same things could be happening in this day and age. I am certain there are Nicole's (as in the Left Behind series) in this world and may be hard to recognize. The Left Behind series started with a referral from a friend. Once I started it, I have told others and they are wrapped up in the books. None of the books are to be taken, in my estimation, literally. The references to The Bible are fact, but the interpretation may not be. It gives me a reason to go and read further; it gives me more basis to listen carefully when our minister is giving his sermon and each book makes me strengthen my faith.
